Galapagos increases share capital through subscription right exercises

Mechelen, Belgium; 20 June 2022, 22.01 CET; regulated information – Galapagos NV (Euronext & NASDAQ: GLPG) announces a share capital increase arising from subscription right exercises.

Galapagos issued 80,290 new ordinary shares on 20 June 2022, for a total capital increase (including issuance premium) of EUR 1,459,506.60.

Pursuant to the subscription right exercise program for Galapagos' executive committee, the members of the executive committee automatically are committed to exercise a minimum number of subscription rights, subject to certain conditions. In accordance with the rules of this program, one executive committee member exercised 5,000 subscription rights.

In accordance with Belgian transparency legislation¹, Galapagos also wishes to note that its total share capital currently amounts to EUR 355,533,029.01, the total number of securities conferring voting rights amounts to 65,728,511, which is also the total number of voting rights (the denominator), and all securities conferring voting rights and all voting rights are of the same category. The total number of rights (formerly known as 'warrants') to subscribe to not yet issued securities conferring voting rights is (i) 9,060,766 subscription rights under several outstanding personnel subscription right plans, which equals 9,060,766 voting rights that may result from the exercise of those subscription rights, and (ii) 1 subscription right issued to Gilead Therapeutics to subscribe for a maximum number of shares that is sufficient to bring the shareholding of Gilead (and its affiliated companies) to 29.9% of the actually issued and outstanding shares after the exercise of such subscription right. The foregoing excludes the 2,326,025 subscription rights of Subscription Right Plan 2022 BE, Subscription Right Plan 2022 RMV and Subscription Right Plan 2022 ROW, which were created subject to acceptance. Galapagos does not have any convertible bonds or shares without voting rights outstanding.
